Members of the Telecommunication Workers Pension Plan Eligible to Purchase “Days of Pay” for 2005

To be entitled for a full year of credited service you must have a minimum of 250 Days of Pay in a year. The 250 days include days worked and days on LOA due to Sick Leave, WCB or ill-health.

If you have a shortfall of Days of Pay in a year, you may be entitled to Purchase Days of Pay. To be eligible you must have 36 months of seniority to purchase any shortfall on the 250 days. You cannot purchase more service that was earned in 2003 or 2004.

To calculate the cost to purchase, you add the Employer Contributions of 10.75% and the percentage applicable to your age as set out in your Collective Agreement.

- 3% less than 30 years old
- 4% age 30 or more but less than 40
- 5% age 40 or more but less than 50
- 6% age 50 or more

Take your daily rate, multiply by the Employer and Employee contribution percentage, multiply by the number of days you are purchasing.

For Example:

Daily rate is \$188.51, member is 42 years old, short 20 days for the year
15.75% X \$188.51 X 20 = \$593.81

Total amount of contributions \$593.81 to buy 20 days
Additional Annual Pension from purchase would be approx. \$66

Should you decide to purchase Days of Pay for any shortfall this year, please submit the following form along with your cheque no later than **December 31, 2005** to:
