## Introduction

This booklet contains information about your Group Benefits. Please keep it in a safe place. It is intended to summarize the principal features of your plan. All rights to benefits are governed by the Group Contract.

**The Group Policy contains a provision removing or restricting the right of the Member to designate persons to whom or for whose benefit insurance money is to be payable.**

**The Group Contract does not permit a Member or Dependent to designate a personal representative or a beneficiary to receive benefits.**

Defined terms are capitalized (e.g. Dependent). Pacific Blue Cross (PBC) is referred to as “we”, “us”, or “our” in this booklet. We will refer to you, the retiree/Member, as “you” or “your” in this booklet.

Pacific Blue Cross, the registered trade-name of PBC Health Benefits Society, is an independent licensee of the Canadian Association of Blue Cross Plans.

Coverage is provided through:

**Pacific Blue Cross**

## Integration with Government Plans

Extended health care benefits are intended to supplement and not overlap benefits under Government plans such as the Medical Services Plan and Fair PharmaCare Program of British Columbia. You are required, as a condition of coverage, to take all reasonable steps to qualify and obtain the fullest extent of coverage, benefits, contribution, or reimbursement available under all applicable Government plans. We will also make payment only where permitted by provincial/territorial legislation or other applicable law.

## Effective Date of Coverage and Enrolment

If you are eligible for coverage, you must complete an application card within the Enrolment grace period to ensure that your coverage starts on the correct effective date.

You should apply for Dependent coverage (when applicable):

- 1) on the same date you apply for your own coverage, or
- 2) within the Enrolment grace period if you have a new Dependent.

If we do not receive your application card within the required time limits, please refer to the Late Application section.

Provided you and your Plan Administrator have complied with our enrolment rules, your coverage effective date is shown on our website at [www.pac.bluecross.ca/member](http://www.pac.bluecross.ca/member) or from your Plan Administrator.

Should you require additional information about when your coverage starts, please contact your Plan Administrator.

## Late Applicants

If you did not apply during the Enrolment grace period but request coverage later (for yourself and/or your Dependents), ask your Plan Administrator to explain the requirements for late enrolment in your Group Plan. Note: Different benefits may have different requirements

– evidence of insurability or retroactive premium payment. In some instances, coverage may be denied.

## Beneficiary

This plan does not permit you or your Dependents to designate a personal representative or a beneficiary to receive benefits. Any Benefit amount owing will be paid to your estate or to you for a deceased Dependent.

## Identification (ID) Cards

We will issue identification (ID) cards for distribution by your Plan Administrator.

You may be asked to substantiate that an individual you claim as a Dependent meets the definition of Dependent for your group.

## Claims

- 1) All claims must be submitted to us in English.
- 2) We pay eligible claims when we receive all the required information within the required **time limits**. We encourage you to become familiar with the time periods allowed for claiming benefits. Under the Claims sections, we fully describe the claiming deadlines for each benefit. No payment will be made if we receive your claim after the time limits described in this booklet.
- 3) We may reject your claim if sufficient information is not provided to enable a full assessment of the claim, or if an attempt is made, except through unintentional error, to make an excessive claim, or if a claim is made for a person who is not entitled, or if any Group Contract/Policy exclusion applies.
- 4) The necessary claim forms are available from your Plan Administrator or on our website at [www.pac.bluecross.ca/member](http://www.pac.bluecross.ca/member)

- 5) The exchange rate on foreign currency is payable at the rate quoted by selected Canadian financial institutions for the date on which the expense was paid. Fluctuations in exchange rates are not our responsibility.

## **Duplicate Coverage**

If you and your Spouse are eligible for Member coverage through the same employer, please check with your Plan Administrator to see if Duplicate coverage is allowed for extended health care benefits.

If you and your Spouse have coverage through different employers and you are both enrolled for similar benefits, Duplicate coverage is allowed.

If you are eligible for Duplicate coverage, you and your family should discuss both plans (and what portion of the benefits you pay) to determine whether it is to your advantage to enrol under more than 1 plan.

Your Plan Administrator will advise you if you are eligible to waive certain benefits under this group plan.

## **Coordination of Benefits**

If Duplicate coverage is allowed, we pay claims based on the rules of the Canadian Life and Health Insurance Association guidelines. They are:

Medical Services Plan of BC), or if the group plan terminates, etc. For further details on termination of coverage, please have your Plan Administrator refer to the Group Contract.

## **Right of Recovery**

You are financially responsible for any claims paid by us on your or your Dependent's behalf after coverage is terminated from your employer's benefit plan. You agree to reimburse us for these payments upon receipt of our invoice.
